Dear Marty,

Thank you for your email of 8th September the amount of asylum seekers / refugees that have failed the initial application and still remain within the UK.

Section 8(1) of the Freedom of Information Act 2000 requires that a request for information must state the name of the applicant. Your email does not do this. We are therefore refusing your request because it does not meet the requirements for a request for information under the Act.

If you provide your full name we will consider your request again.

Yours sincerely

AG
