Dear [REDACTED]

We note that Angus Energy PLC have made the following notification (as per link), on their website and would appreciate a copy of the new FDP that has been issued so that we can see what it permits and respond to enquiries that we are receiving about our approach to the proposed production from BRX4 and the side-track BRX4Z, both of which would be unauthorised in planning terms.

I look forward to receiving a copy of the FDP that has been issued.
