Again related to the FOI in relation to the OGA & FDP

The copies of the letters regarding the FDP sent to me by the OGA remain confidential until I have a further response from the OGA regarding Angus Energy's representation.

Dear Ian, I neglected to give ANGUS the opportunity to comment on OGA potentially releasing our consent docs. Could you kindly hold confidential until I can give them a chance to make a representation?

I appreciate your understanding.

Kind regards, [REDACTED]

Many thanks for these [REDACTED]

I have deleted the un-redacted copies of the letters.

We have seen that Angus Energy have today issued an update in terms of a future planning application.

Dear [REDACTED]

We note that Angus Energy PLC have made the following notification (as per link), on their website and would appreciate a copy of the new FDP that has been issued so that we can see what it permits and respond to enquiries that we are receiving about our approach to the proposed production from BRX4 and the side-track BRX4Z, both of which would be unauthorised in planning terms.

I look forward to receiving a copy of the FDP that has been issued.
