Dear Ms Lucas

FREEDOM OF INFORMATION ACT

I am writing concerning your request for information under the terms of the Freedom of Information Act 2000. I can confirm the following in response to your request.

- 1) The overall total of GP surgeries in your trusts area
- 2) The overall total of GP surgeries in your trusts area who are currently in receipt of direct enhanced services and are therefore expected to offer annual health checks for people with a learning disability.
- 3) This number as a percentage of the total number of GP surgeries within your trusts area.
- 4) The names of those GP surgeries in your trusts area currently in receipt of direct enhanced services and therefore offering annual health checks.
- 5) Any postcode districts within your trusts region that have no GP surgeries in receipt of direct enhanced services and therefore no GP surgeries offering annual health checks.

The attached 3 spreadsheets contain all the information you require to answer the above questions.

Re-Use Of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Tameside and Glossop Primary Care Trust. The copyright in other information may be owned by another person or organisation, as indicated in the information itself: in this case you must apply to the copyright owner to obtain their permission.
