

Freedom of Information Request: 9127

Directorate: Community Services – Environmental & Public Protection

Response date: 03/12/2018

Request:

Request for information regarding software systems:-

Please could you provide the following information regarding your current Software System:

1. What Software Systems are currently used by the Council for Planning, Building control and Public Protection/Licensing/Environmental Health and Local Land Charges?
2. When does each contract expire?
3. Do you have any planned upgrades of the software? If so, when?
4. How much does each system cost annually?
5. Are you planning to go to market for a different Software System? If so, when?
6. How many users / licenses for each system do you have?
7. Who is the person responsible for your Software System? Please provide full name, title and contact information if possible.
