Dear Mr Rodriguez,

Your request was received on 2 December 2018 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

From 2012 through 2018,

1. The number of applications from Hong Kong including the corresponding subject intended to read as well as the final decision

2. Exam qualification(s) interviewed and successful candidates attempted to declare (AL/IB/DSE, etc where applicable) respectively

Apart from the aforementioned data, I would like to inquire if the admissions tutors could also provide an indiscriminating general feedback on Hong Kong candidates' competitiveness in terms of their interview performance and academic potential. This should be none personal, and should be based solely on the objective review on the admissions tutors' report.

The requested information, insofar as it is held, is attached. Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act. For the same reason the University is unable to supply the 'general feedback' requested.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where
