Dear Clive

**Re: Request for Information – Freedom of Information Act 2000**

I wish to confirm that the Place Directorate has now completed its search for the information which you requested by e-mail on 24 September 2020

Your questions and my findings are as follows:-

**My enquiry relates to a traffic survey that was carried out on Armroyd Lane, on the road outside number 35 in February/March of this year. I am interested in seeing the results/conclusions of this survey as we currently experience both high volumes of traffic at certain times, as well as having large numbers of vehicles passing in excess of the 30mph limit.**

This traffic survey was not carried out by Barnsley Metropolitan Borough Council; we do not have a copy of the survey.

**At the start of August and continuing, we now have a regular Police presence on to monitor speed on Armroyd Lane. I am wondering whether this is related to the data that was obtained from this traffic survey?**

This would suggest that the survey may have been undertaken by South Yorkshire Police. Their Freedom of Information Team can be contacted using the following email address: [syscfoi@southyorks.pnn.police.uk](mailto:syscfoi@southyorks.pnn.police.uk)

If you have any queries about this letter, please contact John Shannon on (01226) 772435. Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:
