Request	Please could you tell me whether Art A Level would be acceptable and form part of the conditional offer for the following courses if given an offer in the upcoming cycle: BA PPE BA Geography BA Computer Science

Dear Glen Derben,

I write in reply to your email requesting the information detailed above.

The A level requirements for each undergraduate course at the University can be found on our [website](#). Aside from the 'essential' subject choices, applicants may apply with their choice of subjects which, if extended an offer, will be included in the conditional offer text.

Yours sincerely
