Dear Nick Herbert MP,

### **A27 Arundel Bypass: Have Your Say**

We are holding a public consultation about the A27 Arundel Bypass scheme between **Tuesday 22 August and Monday 16 October 2017**.

In line with the Government's 2015 Road Investment Strategy, Highways England has committed to replacing the existing single carriageway road with a dual carriageway bypass, linking together the two existing dual carriageway sections. The proposals aim to improve traffic flow, relieve congestion, increase safety, improve accessibility, boost local economic growth and minimise the impact on the environment.

We are writing to you as we are interested to hear what local businesses think about our proposals. We would like to invite you to a **business exhibition on Wednesday 20 September 2017** to show you the proposals and ask for your views.

**Please join us on 20 September 2017 at Fontwell Park Racecourse – Premier Grandstand, Fontwell Avenue, Fontwell, Arundel, BN18 0SX between 8:30am and 10:30am.**

If you are unable to come, you may wish to visit one of our public consultation events listed below.
