Dear Lucie Stephens,

**FREEDOM OF INFORMATION REQUEST REF No: 491534**

Thank you for your information request.

You requested the following information:

**This is a Freedom of Information request for the following information. Please provide me with; 1. The names of the schools in your borough that contain asbestos. 2. The date and outcome of the last independent audit or inspection of each of these schools Asbestos Management Plans. 3. The details of any reported incidents of asbestos exposure in these schools between 2011 and 2016. 4. The number of school employees (existing and retired staff to include teaching staff, school support staff and caretakers, etc) that have pursued a claim against you for exposure to asbestos within an Islington school. 5. The number of these claims that have been settled. 6. The amount of money that has been paid in settlement of these claims (with and without your authority accepting responsibility). I would like to receive a copy of this information electronically.**

3. One incident. A previous management survey had been carried out where after checking and sampling, ceiling panels within an external store room were documented as being non asbestos. However following another survey years later, it was discovered that a small section were AIB. Works had been carried out to attach electric wiring to some of these panels. On discovering this, those affected were informed and a RIDDOR report issued to the HSE.
