Dear Ms Scott,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 15 April 2010 timed 21:46 hours, requesting the following information:

'In response to an earlier request that I made you released the following information.

AUDIT/2009/18. Audit Committee Annual Report to Court

It was agreed that the report should include a summary of the areas the Audit Committee would be considering in the coming year such as IT, risk management and pensions. The report should be amended to state that the Committee required a better understanding of the process of risk management rather than reporting a concern regarding risk management. The Report would be redrafted and authorised by the Convener on behalf of the Committee before being presented to the December Court meeting.

Can you please send me the original report and the amended report that went to the December court meeting.'

As the University of Glasgow is a Scottish Public Authority, your request is subject to the terms of the Freedom of Information (Scotland) Act 2002 ("FOISA"). The University acknowledges receipt of your request and confirms a response will be sent to you promptly; and in any event not later than 14 May 2010. The Freedom of Information Office will contact you if we require any further information.

Yours sincerely,
