Dear Ms Powell

Thank you for your freedom of Information request, which was received on 15 November 2018. You have specially requested a copy of the investigation report into the use of public money to fund legal costs in relation to the use of land at Cotham School. I have dealt with your request under the Freedom of Information Act 2000

Following a search of the Department's paper and electronic records, I have established that no report was prepared and therefore we are not in a position to provide the information you have requested.

If you are unhappy with the way your request has been handled, you should make a complaint to the Department by writing to me within two calendar months of the date of this letter. Your complaint will be considered by an independent review panel, which were not involved in the original consideration of your request.

If you are not content with the outcome of your complaint to the Department, you may then contact the Information Commissioner's Office

Yours sincerely
