13 July 2020

Reply to request for information under the Freedom of Information Act	
Your ref	Email of 15 June
Request	<p>Please release an excel sheet, summarising the average scores and average successful scores of applicants on BMAT test and 9s at GCSE for successful applicants for the past three cycles.</p> <p>If averages are unavailable anonymised raw data with the columns '9s at GCSE', 'BMAT Score' and 'Successful/Unsuccessful' would be appreciated.</p>

Dear Maximiliano Jiménez Vázquez,

I write in reply to your email requesting the above information, which you may find attached. Please note, however, that we cannot identify '9s at GCSE', as the data the University records is a mixture of old and new scores. Instead, we have supplied AStars at GCSE; these include applicants with GCSEs of both 8 and 9.

Yours sincerely

Information Compliance Team
