Dear Mr Sorrentino,

With reference to your Freedom of Information request, please see below the information in response to your queries:

For each year between 2009 and up-to the end of 2017, how many babies born under your trust were born to drug dependent mothers and once born, were transferred to a drug treatment programme to wean them off their addiction?

The Trust does not record this information

The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1998. You are free to use it for your own purposes, including any non-commercial research you are doing and the purposes of news reporting. Any other reuse, for example commercial publication, would require the permission of the copyright holder.

If you are unhappy with the way your request has been handled you may ask for an internal review by writing to the FOI team at the above address. If you are not satisfied with the outcome of the review, you can then ask the Information Commissioner's Office (ICO) to make a decision. Generally the ICO cannot make a decision unless you have completed the Trust's internal review process.

The ICO contact details are:
