Dear Members

Please see below. Basically the land is ours so we can make whatever rules we want. We do not have a Dog Control Order and the Public Space Protection Order in place by DCC does not cover the exclusion of dogs. Our staff do not have any enforcement powers as there is no legislation covering the park, rather they politely ask people to leave pointing out the no dogs allowed sign. I believe if someone did cause a problem we would have to go down a civil route of banning them from the park via an injunction or looking at a civil trespass.

Katherine

Dear Katherine,

What would the possibility of STC making an official statement on social media and the Spennynews to clarify under which law that dogs can be banned from Jubilee Park, how it is enforced and who is responsible for enforcing the ban?

Regards

Pete Molloy
