WPD Ref: R581

23rd September 2014

Dear Sirs

Offer for electricity connection at Barry Dock Generation Substation by Western Power Distribution (South Wales) plc ("WPD")

We refer to the above connection offer dated 1st October 2009, a copy of which is attached.

The purpose of this letter is to re-confirm that the above Offer has been accepted by you and the specification remains as set out in the Offer document. Please note that we reserve the right to update the indicative pricing included in the Offer to take account of the time that has passed during the intervening period.

Concerning timing, we estimate that the relevant connection works can be concluded by 31st March 2017 provided we are in receipt of your instruction to carry out the detailed design works and prompt payment of any invoices required in order to progress the project build have been received by us by no later than 30th September 2015.

In addition to the conditions of the Connection Offer the date of connection is also dependent upon Distribution System access, operational constraints, manpower availability and delivery times for cables, switchgear, transformers and other equipment. WPD accept no liability should any of the above mentioned or any other factors delay the date of connection.

Yours faithfully

Primary System Design Engineer
