Dear Nick Smith,

Thank you for your email of Thursday 27th August 2020 requesting the following information:

"Subject: Freedom of Information request - Bathymetric Survey - 2012-12-02 - Approaches to River Humber"

Dear UK Hydrographic Office,

would it be possible to forward the bathymetric survey for the approaches to River Humber. Im a scuba diver and wish to see if there anything worth diving on,"

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the UKHO, and I can confirm that some information in scope of your request is held.

The information you have requested can be found below.

The UKHO does not hold survey data for the dates noted in the subject line of your request. If you do however have a specific area of interest, this would be easier for the team to search, along with more recent dates than 2012.

UKHO maintain a Marine Data Portal which holds data from the Civil Hydrographic Programme surveys that are available in the approaches which are more recent than 2012. Please use the link below to find further information.

If you have any further general requests regarding data, please refer to our customer services team who will be able to support your search further.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible

and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours sincerely,

Tamsin French
