<p>Main Topic Discussed:</p> <p>EMAS had a stand at the Older People's Day event which was being held at Eagle Centre Market in Derby. This was organised by Age UK and Derbyshire Police.</p> <p>We gave out information about EMAS, signed up public members and also gave out 'Being the Best' consultation documents (approx 30).</p> <p>The promotion of the event had mainly been done via Age Uk (Derby Branch) so the attendees to our stand were mainly older people.</p>
<p>Positive Feedback:</p> <p>Most people were interested in taking a consultation brochure to read and give feedback.</p> <p>They were open to the possibility of change in the best interest of the patient.</p>
<p>Main Concerns Raised</p> <p>None.</p>
<p>Brief Meeting Evaluation:</p> <p>N/A</p>
<p>Any Other Comments:</p> <p>Some (about 50% we engaged with) weren't aware of the proposals/consultation was taking place.</p>
