<p>Main Topic Discussed:</p> <ul style="list-style-type: none">• Location of the hubs• Rural Response Times• Costs involved
<p>Positive Feedback:</p>
<p>Main Concerns Raised</p> <p>Neither of the proposed hubs are near Melton or Oakham. How long would it take to get to some rural locations?</p> <p>Can you guarantee this will improve performance?</p> <p>Who decided where the hubs and Community Ambulance Posts (CAPs) would be located in the new proposal?</p> <p>How much will everything cost?</p> <p>The focus appears to be on hitting response times in the cities and providing a second-hand service to rural areas.</p>
<p>Brief Meeting Evaluation:</p> <p>It was appreciated that something needs to be done to improve performance but questioned whether this was the right solution.</p>
<p>Any Other Comments:</p>
