Hello

Please see the FOI request regarding Berners Pool below (bottom).

[REDACTED] has had some very limited success in finding documents relating to the request and Legal has suggested trying yourselves in the hope that you may have some of the requested documents within your own archives.

Please can you let me know if anything comes to light.

Many thanks

Dear all

[REDACTED] has kindly checked Legal files within the Deeds room and has been unable to locate any inspection reports requested.

I understand that there is a room with NPS folders in, is this the room you have searched [REDACTED] In addition, has a search on the website been carried out -

<https://democracy.southlakeland.gov.uk/mgDelegatedDecisions.aspx?XXR=0&&DR=11%2f02%2f2012-25%2f02%2f2023&ACT=Find&RP=0&K=0&V=0&DM=0&HD=0&DS=2&Next=true&T=1003763759&NOW=24022023110959&META=mgdelegateddecisions>.

I have spoken with [REDACTED] and [REDACTED] suggested that [REDACTED] officers within Economic Development or [REDACTED] may have knowledge/be able to shed light on where the reports are in relation to this matter.

Please could further searches/enquiries be made prior to sending a response confirming the Council does not hold the documents requested.

Many thanks

I have checked the files in the deeds room that might have been relevant but there are no inspection reports.

Many thanks

Hi [REDACTED]

We can probably claim retention period as a factor as to why we don't have the records, although we wouldn't normally delete/destroy any records. Don't think any other departments would hold them.

Report was done by an external consultant and it doesn't look like it was ever provided electronically as otherwise there would be an electronic file with the report in (it would have been around 2006 and pretty much everything at that time was hard copy). Chances are it was provided as a hard copy and despite spending time in the property services basement and archive, I could not locate it.

Regards

Hi [REDACTED]

Can we just clarify, is there a reason why we may not have the records such as retention period? If not could they possibly be held with Legal or another department?

Thanks

Hi [REDACTED]

I have checked and there is no electronic file for Berners Swimming Pool and I have been unable to find a paper file in the property services archive.

I am not aware of any other condition survey other than the one referenced in the request but I cannot seem to locate that report.

Regards

Hello [REDACTED]

Any applications on the site would be on the Councils website.

I don't know if building control would have any records
