Dear Alex Harbottle

Freedom of Information Act 2000 Request for information

Thank you for your request for information under the Freedom of Information Act 2000, detailed below, which was received on 16 April 2012. Our response is in bold italics

Request

Please can you tell me how many biomass boilers the council has installed. Please can you include all those in the schools within the council's jurisdiction as well as council owned buildings. Please can you also tell me what plans you have for future installations and the timescales of those plans.

Response

We currently have no biomass boilers installed within Calderdale Council, however, we plan to install 6 boilers <200kw over the summer period of 2012. These will be across 6 primary schools throughout Calderdale. The biomass boilers will provide the primary heat load for all schools.

I hope this is helpful to you and any feedback from you would be welcomed

If for any reason you are unhappy with our response, you are entitled to approach the Head of Democratic and Partnership Services, Westgate House, Westgate, Halifax HX1 1PS. If you remain dissatisfied with our decision, please contact the Information Commissioner, Wycliffe House, Water Lane, Wilmslow, SK9 5AF.

Yours sincerely

A handwritten signature in black ink that reads 'Janet Morris'.
