Dear Mr Andrew Jolley

Freedom of Information Act 2000

I refer to your recent request for information made under the provisions of the Freedom of Information Act 2000.

Request

I believe it is in the public interest for local authorities to confirm if they bid on behalf of any schools and if so, publish the application documents for all schools with bids in for this additional funding.

To include names of the schools, descriptions of the works and equipment, the total cost of the project, the amounts being asked for, along with other sources of funding. The evidence given in support of each individual bid and the outputs and VFM they expect.

Response

A search has been performed on your behalf and the findings are attached as separate documents.

Review

If you are not happy with this response you may ask for an internal review. To do this, please contact Birmingham City Council's central FOI Team at email:

foi.mailbox@birmingham.gov.uk or Tel: 0121 303 4876.

If subsequently you are not satisfied with the Council's decision you may apply to the Information Commissioner for a decision. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Council. The Information Commissioner can be contacted at the following www.ico.org.uk.

Yours sincerely
