Dear Ms Hartley

Re: FOI – Board drain maintenance, rates paid and cost of pumping

We refer to your request for further information dated 16 September in two parts.  
We have identified you require information on:

1. The rates payable by numbered Board Members
2. The cost to the Board of pumping attributable to numbered Board Members.

Please be advised, certain parcels of land may lie outside pump station catchments for which the Board is wholly or partially responsible. In these instances, the cost of pumping is not within the knowledge of the Board.

The Board will respond within the appropriate timescales.

Yours faithfully
