Dear Mark Simon

Gloucestershire Constabulary Freedom of Information request 2023.0621

On 11 June 2023 you sent an email constituting a request under the Freedom of Information Act asking the following:

Please provide me with a copy of your logo guidelines, branding manual or equivalent document, which should be related to your new logo with King Charles III's cypher.

Under the Freedom of Information Act 2000 s1, I can confirm that whilst Gloucestershire Constabulary holds some relevant information, the current branding guidance (which I have attached) reflects the royal cypher of her late majesty, Queen Elizabeth.

If you are not satisfied with this response or any actions taken in dealing with your request, you have the right to ask that we review your case under our internal procedure. Please note that a request for an internal review must be made within 20 working days of the response to your original request.

If you decide to request that such a review is undertaken and following this process you are still unsatisfied, you then have the right to direct your complaint to the Information Commissioner for consideration.

The Information Commissioner can be contacted via the following means:
