Dear Gabriel Webber,

I refer to your request, where you asked:

A letter to all MPs and Peers from Robin Walker MP, dated 4 December, states that the reading room which has been set up for viewing of the Brexit impact assessments is "in keeping with the arrangements for previous reading rooms".

Please provide me with an electronic copy of all information you hold regarding the provision of previous reading rooms.

The documents in scope of your request were supplied to us by another department.

One of these is accessible online and can be accessed via this link:

<http://data.consilium.europa.eu/doc/document/ST-14029-2015-INIT/en/pdf>

The second can be found attached in Annex A. We have redacted this document as some information was out of scope.

If you have any queries about this letter, please contact the FOI team. Please remember to quote the reference number above in any future communications.

If you are unhappy with the service you have received in relation to your request or wish to request an internal review, you should write to foi@dexeu.gov.uk or :
