Happy to discuss any of the changes made. It is probably best to put it in my name as is not the one clearing it on this occasion.

Hi**ll**,

Thanks for checking over.

Happy for the removal of the S35 information, makes far more sense. I've changed to your name also.

Once you're content let me know and I'll forward to the relevant POs.

FYI that this requestor is chasing the IR.
I think I have some spare room to do some work if you want me to?

Hi**lls**,

Original request was for:

an electronic copy of all information you hold regarding the provision of previous reading rooms.

At this time, we gave the requestor this answer DEX000924 and the annex A.

They then came back and asked to see the "out of scope" information. We replied that the request was vexatious (fishing) DEX000993 since they did not have any knowledge as to what might be contained in the information. We released no further information at this stage.

If you need anything further please let me know.

Thanks,

Freedom of Information Team

Dea , all,

NB Ministerial Submission Section 36 - now amended to Minister Baker's office

Minister Baker's PO - FOR ACTION

PR's PO - FOR INFO

Please find attached a submission for the Minister as one of the Department's qualified persons, asking for their opinion on the application of Section 36 of the Freedom of Information Act 2000 (FoIA) relating to two requests on "reading room provisions".

We've included a deadline of **08/05** (**Tuesday**) which will then give us enough time to finalise the response before the deadline. However, if there is need to push back on that deadline then happy to discuss. I can also come and collect the submission in PO once completed.

The link to the **submission** is here; DEX000993 Section 35 Minister's Recommendation

The attached **Annex A** can be found attached and at this link.

There is further guidance attached to the submission if desired (at the very end).

Grateful if you could confirm receipt of this email also. I'll be available on chat if you should have any questions.

Kind regards,

_
