Subject: Proposed rail link from Filton North (Brabazon) to Bristol Parkway

Hi All

We are looking to arrange a meeting to discuss the process and likely delivery date for this link.

The best solution has been priced by Mott MacDonald at £[REDACTED] and we need to understand how quickly this can be developed and delivered as the majority of the works is not on the mainline.

[REDACTED] – It would be really helpful if Peter Hendy could attend, so could you please ask him for some available dates for a trip to Bristol or Bath

Thanks

Nigel
