Subject: Parkway/Filton North link

Dear Peter

I have been asked by Bristol City Council if there is any chance of you joining a meeting to discuss the proposed rail link between Parkway and the new Filton station. I think they are keen to have a top level input from someone who already has a lot of the background.

They need to do this quickly as it's linked to the decisions about arena location. I am sure your diary is very busy but are there slots you might be able to offer please?

Look forward to hearing from you.

Very best wishes.
