Folks,

I agree with [section 40(2) – FOIA] note. All these separate meetings sit outside my awareness when I am meeting with PCT. I need a quick overview meeting to bring me up to speed before the meeting on 29th.

I will put a meeting in the diary so I can get an overview of all the strands. Will then draw into the project plan.

Thanks

If meetings are being arranged we all need to be kept informed, however for this one, [section 40(2) – FOIA] is on holiday.

I would like all leads in the project to meet together as soon as poss, although due to holidays this might take some arranging. In the mean time the briefs for the various parts need to be developed and I will attend this meeting, but usually [section 40(2) – FOIA] should be there.

From Major Projects, [section 40(2) – FOIA] will be the lead and I will be working closely with her, as will [section 40(2) – FOIA], who is leading meetings with the PCT.

[section 40(2) – FOIA], I take it you are the lead in the Children's Service, and [section 40(2) – FOIA], I believe you are the lead in Libraries?

[section 40(2) – FOIA] can I suggest we all meet on the 12th/13th to review where we are so far.

The meeting with the PCT is on the 29th July, so will we also need an update prior to that.

Many thanks

We need to meet to agree what services will be offered from the Brunswick Park site, as you'll see below Major Projects are meeting with the PCT end of July so ideally we want to give them some kind of a brief / accommodation schedule to work with, presently available any date next week, I'll also invite [section 40(2) – FOIA] from G&T who is the technical lead for the Borough.

Regards.

I would like to be involved in any discussions about the re-location of Hamden Way and about services to be offered / relocated. What is the best way forward before any schedule of accommodation are drawn up?

The technical Project Managers working on the co-location scheme at Brunswick Park are looking for confirmation of the services that we would look to offer from the new site. Were you ever provided with a schedule of accommodation for the relocation of the Nursery and Children's Centre at Hampden Way? I have had a look as I understand you were working with Hannah on previously but cannot find anything filed? We basically need to agree the schedule and the services that will be offered from the new site. I have copied in [section 40(2) – FOIA] from Gardiner and Theobald who is the lead from the technical PM's.

Regards.
