Subject: Brunswick Park N11, invitation to bid.

Dear All

Please see attached the proposed invitation to tender. This document includes an overview with instructions to the architects making a submission. It also includes the proposed appointment terms, the original Sprunt master plan and the respective briefs for the different elements of the building. I have included the G&T budget document.

I have asked for the submissions to be with us for 9am Thursday 12th November so we have 24 hours to consider these before the interviews on Friday 13th.

I have also listed those to whom the response documents should be sent. It will include a fee bid so should be treated accordingly.

[section40(2) – FOIA] an I have been discussing the merits of respective architects and the final list is not yet confirmed. Hence there is a brief opportunity to comment on the attached before it is sent out, probably close of business, Tuesday 3rd November.

Kind Regards
