Hi [section 40(2) – FOIA]

I suggest we approach [section 43(2) – FOIA], [section 43(2) – FOIA] and [section 43(2) – FOIA].

To overcome any issue of relevant experience I will ask each to submit with their response a summary of their experience with the areas of work that the project will involve.
Would you please let me know if you are happy with this list as I will need to send out an invitation to bid imminently in order to allow bidders time to prepare a worthwhile response.

I have left a message with [section 40(2) – FOIA] and have also discussed this with the other two architects, both of whom have experience that covers the necessary areas.

Kind Regards

[section 40(2) – FOIA],

I do not have any literature from [section 43(2) – FOIA] but I can vouch for them in respect to the children centre and early years work that they have undertaken at Barnet. You may wish to speak with [section 40(2) – FOIA].

When do you think you will be able to issue the proposed list of Architects? I am in Barnet's offices tomorrow and may have chance to discuss a list with [section 40(2) – FOIA].

Regards

Hi [section 40(2) – FOIA]

I have already requested this but not from [section 43(2) – FOIA]. Have you spoken to them? Do you have any details of their experience in these areas?

Kind Regards

[section 40(2) – FOIA],

LBB have requested that the Architects requested to tender have experience in Children centres and libraries, as well as collocated schemes. How do Assure wish to demonstrate that they have this experience ? Suggestions - do you want to give me the names and contact details so that I can give them a call? do the proposed companies want to give a resume of experience before being put on the tender list?

Regards

Hi [section 40(2) – FOIA]

Thank you for the briefs. Scanning through them I noticed that the brief for the children's centre states that a List of present and planned services previously was provided but I'm not sure I have this. Would you please send me a copy for the sake of completion. I would like to send this out to the architects as soon as I can and will send it as an addendum once I receive it.

Attached is a copy of the stage 1 guidance. I have also attached a diagrammatic description on one page which is a better starting point.

London Borough of Barnet should have a copy of the SPA but I will obtain a copy and forward this.

Kind Regards

Hi [section 40(2) – FOIA],

As request I have attached the individual LBB service briefs – the areas are as follows:

Can you please provide clarification of stage 1 approval process as referred to in the draft MOU and provide a copy of the SPA which is also referenced?

Many Thanks,

Hi [section 40(2) – FOIA],

Can you send me the accommodation schedules for the LBB service workstreams and I will liaise with the Elevate team re the appointment of the architect for sometime in the next couple of weeks.

Can you also give me details of who you would like to sit on a selection panel and available dates in the coming weeks?

I have copied this e-mail to the Elevate (LiftCo) team for information.

Look forward to hearing from you

Many thanks
