Attention of Jonathan Barnes

Dear Jonathan,

RE: BRUNSWICK PARK, LONDON N14 5DR. DRAIN/SEWER SURVEY

Thank you for your e-mail of 18th February, and we are pleased to quote as follows:-

To attend site and carry out CCTV camera survey of drainage as specified.

Provide written report, DVD recording (which can be viewed on Quicktime player or similar), digital images, and diagram giving approximate route of drainage and inverts levels to cover and frame (not to datum).

Carry out high pressure jet washing procedures to clear drainage as possible to facilitate the survey.

From the information supplied by you we would anticipate requiring one day on site at £725.00 plus V.A.T.

Subject to an early response, we could carry out these works on Monday 22nd February 2010. Alternatively, we may be able to re-arrange our diary to enable us to carry out these works towards the end of the week or early the following week.

We trust the above quotation is of interest to you and look forward to hearing from you in due course. Meantime, please do not hesitate to contact us, should you require any further information or assistance in this matter.

Yours sincerely

For KS MAINTENANCE LTD, T/A 1ST KENCLEAN
