Subject: 12292 Brunswick park Sketch visualisation.

Dear [section 40(2) – FOIA],

Further to discussions with [section 40(2) – FOIA] and myself please find attached a CGI of the current submitted proposals in order to help you visualise the scheme. It should be noted that the car park bays in the public car park will no longer be grass grid to concerns over axel loads and construction issues.

I will also be sending over a slightly amended CGI and sketch layout based around the comments this morning.

Regards
