Dear Mrs Philpot,

BUS SERVICE OPERATORS GRANT - INVESTIGATION

I am sure you are aware of the allegations made against your organisation by Cambridgeshire Bus, Coach and Taxi Association (CBCTA). I have previously spoken to you about these allegations and Freedom of Information requests sent to the Department by CBCTA.

The CBCTA have raised a number of allegations with the Department about your organisation, along with Ely and Soham Association Community Transport and Fenland Association Community Transport, which include your eligibility for the Bus Service Operators Grant. In order to investigate these allegations, I would be grateful if you could provide evidence to support your BSOG claims by Friday 9 December which shows the following:

- types of journeys made for each service you provide (i.e. where you are taking the passengers on dial a ride, day trips, luncheon out, dial a car and group hire);
- categories of persons being taken on those journeys and;
- copies of your permits for each vehicle.

These should cover as many claims as possible since the organisation started claiming for BSOG.

Please do contact me if you would like to discuss this further.

Yours sincerely
