Your Reference: Budget

Freedom of Information Act 2000

We are writing in respect of your recent application for the release of information held by the Authority.

You asked:

Are you able to supply me with the annual running budget for each station in Hampshire, ensuring that each station is listed individually, and shows a total amount with a breakdown for running costs, training, kit and any items that are above the annual budget.

Our answer:

We can confirm that we hold the information requested, please find it in the attached spreadsheet. The total budget for each station is shown in bold.

We have included all costs that are directly attributable to stations, including staffing budgets. Please be aware that the negative figures given for "Rents" and "Service Charges" within the spreadsheet are income from partners who use space within the buildings. We can confirm that there are currently no stations who have exceeded their budgets.

Training and equipment are provided from a centrally held budget, therefore, we do not hold station specific budgets for these items as per Section 1 of the Freedom of Information Act 2000.

Any future correspondence with HFRS in relation to this matter should be sent to the Information Compliance Officer at the above address.

If for whatever reason you are unhappy with our response you may request an internal review by contacting DP@hantsfire.gov.uk or by writing to the Governance and Compliance Team at Hampshire Fire and Rescue Service Headquarters, Leigh Road, Eastleigh, Hampshire, SO50 9SJ.

Should you remain dissatisfied you can appeal against the internal review decision by contacting the Information Commissioner, Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

Matthew Collinson
