Dear Sir,

**Freedom of Information Act 2000 (FOIA)
Request ID: REQ04405**

Thank you for your request for information relating to speed cameras on Burnaby Road.

Your request:

I have noticed that in the last 24 hours that two yellow speed like cameras have been bolted onto lamp posts on Burnaby road by Coventry Council staff. The same section of road has also had a few speeding camera signs erected ie a camera symbol with a speed limit also visible implying that these are in fact speed cameras, Base on this could you please provide the following information

1) Are they speed cameras and if so what type are they i.e Fixed or part of a SPCS measuring speed system.

We can confirm that the Traffic Management Team have not put up any cameras at this location and that they are not speed cameras.

2) If they are not speeding cameras please inform the purpose for the cameras for example gathering data or dummy cameras used for traffic calming measures.

3) Are they a temporary or permanent fitting.

In respect of questions 2 and 3, we can confirm that we do not hold this information and are advising you as per Section 1(1) of the Act. This is because we have no information pertaining to whom has undertaken the installation of the cameras.
