Dear Mr Hawkins

On 21 January 2021 you submitted a request under the Freedom of Information Act asking the following:

1. **Can you please advise if you have any byelaws relating to the use off UAVs (Unmanned Aerial Vehicles) from your land,**
No
2. **If so can you please either provide a copy or the link to their location on a website.**
N/A
3. **If you do not have any byelaws, do you have any other policies relating to the use of UAVs on your land?**
Gloucestershire County Council (GCC) would not routinely provide consent for the take - off and landing of UAVs on council land unless it was for a specific agreed purpose (non - leisure) or by GCC/public sector partners, tenants or contractors for business use (high level inspections of structures for example).
4. **Can you finally advise if these have been reviewed in relation to CAP722C**
<https://publicapps.caa.co.uk/modalapplication.aspx?appid=11&mode=detail&id=9891>
published by the Civil Aviation Authority in December 2020.
Gloucestershire County Council operates within CAP722.

Under the Freedom of Information Act 2000 s1, I can confirm that Gloucestershire County Council does hold relevant information.

Gloucestershire County Council has not withheld any information in relation to this request under the exemptions of the Freedom of Information Act 2000 (FoIA).

If you are unhappy with my response, you can complain or ask for a review of your request by writing to us within 40 working days of receiving this response. The full procedure is on our website at <http://www.gloucestershire.gov.uk/foi>. This should be addressed to:
