Dear Mr Broadbent

Freedom of Information Act 2000 Rights of Access Request

I write to acknowledge your recent application to East Riding of Yorkshire Council for access to information under the above Act the details of which are set out below.

Details of Request:

As a request of the Freedom of Information act I would like to request a map of all areas where I can use an off road vehicle within the East Riding of Yorkshire.

It is my intention to safely and considerately enjoy the outdoors exploring the countryside with my family.

Please acknowledge this request and provide a suitable response within the required time-frame.

Thank you in advance for your prompt response.

You have a right to have the existence of the information requested either confirmed or denied unless the Council claims an Absolute Exemption under Part II of the Act. Officers are currently establishing whether the information requested is held and I will write to you with the Council's response by 27 May 2021 which is 20 working days following receipt of your request.

Freedom of Information and the Coronavirus:

The Information Commissioner recognises the unprecedented challenges facing local authorities during the coronavirus (COVID-19) pandemic, in particular that resources, whether they are finances or people, may be diverted away from usual compliance or information rights work. Whilst we will endeavour to meet the statutory timescales we may need to adapt our approach during this extraordinary period and you may experience understandable delays when making requests for information.

Caroline Lacey

Chief Executive

If in the meantime you have any queries regarding your application please contact the Council on the above telephone number or by emailing foi@eastriding.gov.uk.

Yours sincerely
