It is the 50pc ops jobs - having given it further thought this is unrealistic as half jobs will be from cable car supplier - prob austrian or french initially ! Can we agree 25pc ?

Thanks

Hi Richard

We got confirmation from TfL solicitors directly on March 10 that you had agreed the targets.

For clarification, we requested 25% of construction jobs and 50% end use (operational) jobs. Is that your understanding?

Jo - we can catch up generally on Friday. One thing - we are close to agreeing the legal agmt with newham on the cable car but a sticking point

you want us to commit to 50pc newham labour for construction and ops of the cable car. A big chunk of the cable car workers for const and operate will be specialised cable car suppliers/operators - from elsewhere in europe. I dont think you have many of those in newham (yet !) Your obligation just doesnt work and we need to relax it a little to reflect reality but keeping the obligation to work with you/workforce etc on max no of jobs for local residents. I am asking for a relaxation on the 50pc please

Can you get back ASAP as its all go !

Thks Richard
