Dear G Harrison

**Re: Freedom of Information Request**

Thank you for your email of 12 October 2018. You made the following requests for information:

Please provide an updated list of resources available from your Cafcass library that are tagged, catalogued, or otherwise classified under "parental alienation", "high conflict", or "implacable hostility".

Please see below for our response.

Please find attached Cafcass' resource lists for parental alienation and high conflict which lists the resources available to staff from the Cafcass library on these topics. Cafcass does not have a resource list for 'implacable hostility'.

We hope that you feel your question has been answered effectively. If you are unhappy with the decisions made in relation to your request, you may ask for an internal review to be undertaken. If you are dissatisfied with the way the internal review is handled or with the final decision made at that review about the information released, you are free to contact the Information Commissioner's Office (<https://ico.org.uk/>):
