

CAM HEALTH PATIENT FORUM UPDATE TO MANAGEMENT BOARD
13 FEBRUARY 2014
AGENDA ITEM 10iv

The Patient Forum met on 22 January 2014. 5 practices were represented.

| Topic | Comments & Actions Agreed |
|--|--|
| Shine Project Presentation | Tracy Watts of the Centre for Self-Management Support explained the project and the process behind it. |
| Cam Health Plan – Presentation | Explained to the group: <ul style="list-style-type: none"> - Membership/structure of the Cam Health LCG team; - Wider context for 2014/15; and - Priorities (Cam Health and overall for CCG). |
| Update from Keith Stonell | Update about work being done by the various Cam Health groups/boards. |
| Hot Topics | KS asked the group to think of topics that can be fed back to the Patient Reference Group and for this to be a standing item on the agenda. |
| Patient Surveys | Summary sheet and examples of which GPAQ questionnaires practices use and which additional questions (if any) they used were presented. The survey results of the 2013/14 surveys will be brought to the next meeting. |
| Comments following knee replacement at Addenbrookes | The group reviewed a note on pain relief by one of the Patient Participation Group rep. An advanced recovery briefing will be brought to next meeting. |
