Dear ,

Your request was received on 17 April 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*I would be grateful if you could please provide a list with all applicants from Spain in the 2018-2019 academic year showing the following information, if possible:*

- *Qualifications they are taking (i.e. Spanish Baccalaurate, IB, etc.)*
- *Predicted grades*
- *Whether they were interviewed or not. If so, whether or not they were ultimately rejected, pooled or offered a place.*
- *The percentage of offers compared to the total number applicants (success rate).*

The requested information, insofar as it is held, is attached. Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the
