Dear A Murray,

Your request was received on 12 December 2018 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

regarding applicants HSPS and PBS from 2015-2019 (the current application cycle) to Trinity Hall, Jesus, Gonville & Caius, St John's and Girton college.

The information that I request for each applicant:

-For each course at each college, how many individuals applied, how many were invited to interview/how many actually attended the interview (this is all the information I require for the current 2019 cycle if possible), and how many individuals were given direct/pooled offers.

-Candidates interview scores.

-Candidates pre-interview assessment scores.

-Candidates GCSE/Predicted A-Level (or equivalent) grades.

The requested information, insofar as it is held, is attached. Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where
