Dear Requester

Thank you for your request for information dated 3rd January 2019. We have dealt with this under the Freedom of Information Act 2000.

Response

Some of the information you requested is exempt. The answers to your questions are below and we have stated what exemptions apply. Please see the refusal notices at the end of the answers which explain how and why the exemptions apply

- This link [7]<https://www.cnwl.nhs.uk/service/camden-mosaic/> suggests that Deborah Hodes is employed at MOSAIC at Kentish Town Health Center in Bartholomew Road. In respect of this, please supply the following data:

1. Confirmation of whether this is the same Deborah Hodes that wrote a medical report about two children that made claims of there being a satanic abuse cult in Hampstead (more links about that can be found here:

Under section 40(5)(b)(i) we neither confirm nor deny whether the council holds this information. To say whether or not the council holds this information would itself disclose personal information. This would contravene the principle in the General Data Protection Regulation that personal data is processed fairly and lawfully. A response to a FOI request is considered to be made publicly available to the whole world and not provided just to the requester. This response should not be taken as an indication that the information you requested is or is not held by the council.

2. Confirmation of whether Caversham Group Practice were historically based at the same address at MOSAIC in Kentish Town (Bartholomew Road).

We are sorry but we do not hold or record this information. This information maybe held by the Clinical commissioning group (CCG)
