Caveat to the above:

CAMHS Outpatient and Community referrals have been excluded in order that there is no duplication with CAMHS Access. Access and Treatment – At least one clinically relevant attended and seen contact has taken place for all services except for the following: CAMHS Outpatients is a Treatment Only Service and CAMHS Access is Assessment Only. CAMHS Primary Mental Health Contract is a Tier 2 service and therefore not included.

2. Breaking down the data by each month, how many young people were refused CAMHS services, because the service lacked capacity from March 2019 to July 2020?

RESPONSE: None

3. Regarding CAMHS services in the financial year 2018-19:
