Dear Jamie Dixon

Freedom of Information Act 2000 (FOIA)

Thank you for your request, which was received on 26 April, for the following information:

“Under the Freedom of Information Act, I would like to request the following information:

- a) The total amount of Capital Gains Tax paid in the UK on crypto assets in 2022 and 2021, with a separate annual figure for each year.
- b) The amount of Capital Gains Tax paid on crypto assets in 2022 and 2021, split by local authority area, with a separate figure for each year.

Please can you provide this data for both calendar years (1st January - 31st December) and tax years (6th April - 5th April).”

Our response

We do not hold the information requested. Although taxpayers are required to declare gains made on cryptoassets, these cannot be identified from data collected via Self Assessment as they are reported in the ‘Other property, assets, and gains’ section of the Capital Gains Tax return.

Please note, that high-level information on asset type breakdowns can be found in Table 7 of the [Capital Gains Tax National Statistics](#).

If you are not satisfied with our reply, you may request a review within 40 working days of receiving this letter by emailing foi.review@hmrc.gov.uk or by writing to our address at the top.

If you are not content with the outcome of an internal review you can [complain to the Information Commissioner’s Office](#).

Yours sincerely,

HM Revenue and Customs

If you need extra support, for example if you have a disability, a mental health condition, or do not speak English/Welsh, go to www.gov.uk and search for ‘get help from HMRC’.
