Dear C Ponfue,

**Re: Freedom of Information Requests – reference numbers 42200, 42210, and 42340**

Thank you for your email.

Your requests in respect of FOI requests 42200, 42210, 42340 have not been refused, so your request for an internal review is inappropriate at this time. Equally your request was considered carefully at a senior level for the reasons stated in our previous correspondence and therefore any internal review would be considered at the same level.

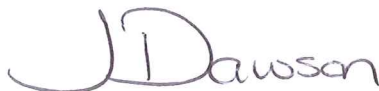

As previously stated, the Trust will respond to your requests upon provision of a name and postal address for correspondence. Also as previously stated, the Trust has experienced previous dealings under this name in the past and we require a central point of contact so we may consider whether the requests become vexatious.

For the sake of clarity, the Trust has not stated that you have been involved in alleged fraudulent activity, but the name C Ponfue has been used in connection with these activities. No criminal proceedings were brought by the Trust so the activities require the reference "alleged".

Once you are able to provide us with an address in which to send our response, we will respond to your requests. Should you be unhappy with our response you may appeal to the Information Commissioner's office:

Information Commissioners Office  
Wycliffe House  
Water Lane  
Wilmslow

Yours sincerely,

Julie Dawson  
Chief Operating Officer
