

2022-201-FOI Request - Car Parking for Staff, Students and Volunteers

Please see FOI request below regarding car-parking facilities for staff, students and volunteers across your Trust sites, as of 2nd April 2022.	
1) Are PAID staff charged for parking at work/placement? Please include PAYG and salary sacrifice schemes.	Charges for staff car parking are currently suspended
2) Are UNPAID students and volunteers charged for parking at work/placement? Please include PAYG and salary sacrifice schemes.	No
For the following questions, please consider "Staff" to include all paid/unpaid staff, students, trainees, and volunteers.	
3) Are parking facilities for Staff managed by the Trust, or by a private/external company?	Parking Eye
4) Where parking for Staff is EXTERNALLY managed, does the Trust pay anything to a management company to provide the service? If so, how much, and what does this cover?	No payment
5) Does the Trust receive any income/revenue from Staff parking facilities? If so, does the Trust make an overall profit on Staff parking?	Charging for staff parking is currently suspended. Income from parking contributes to the running costs of the hospital. It does not generate a profit from this income
5a) If the Trust does make a profit on Staff parking, what is this profit used for?	N/A
