

**FOI/ EIR request– FOI114210426**  
**Title: Care home statistics**

## **Date**

*(FOI admin team to complete)*

Date received:	10/04/2019	Date closed:	16/04/2019
----------------	------------	--------------	------------

## **Request**

Please provide details of the total number of elderly care home places within the Suffolk Coastal and Waveney Districts (following the recent merger) and the number of those places that were vacant (if any) as of 31st December 2018 in both districts

Please also provide for each district the percentage of the care home places that are funded by the local authority.

## **Response**

The responsibility for residential care lies with Suffolk County Council and not East Suffolk Council or the former Suffolk Coastal and Waveney District Councils.

In view of this we are unable to provide the information you request, and would suggest contacting Suffolk County Council's Information Management Team at [information.management@suffolk.gov.uk](mailto:information.management@suffolk.gov.uk)
