\* Due to the low numbers provided in relation to this request, the ICB has replaced the figure with less than 5. This is to prevent the likelihood that a living individual could be identified by the release of the lower figures. We are not obliged, under [Section 40\(2\)](#) of the Freedom of Information Act 2000 (FOIA), to provide information that is the personal information of another person if releasing would contravene any of the principles set out in article 5 of the GDPR. In this instance we believe that the release of this information would contravene the first principle (lawfulness, fairness and transparency) and therefore Section 40(2) is engaged.
